

Smarter selling with real-time data & AI

Powered by **Salesforce Data Cloud & Agentforce**

Prioritize leads, personalize outreach, and trigger the next-best sales actions — all powered by real-time insights and AI, live in just 6–8 weeks.

QUICK-START PACKAGE

We help sales teams focus on the right opportunities at the right time with the right message.

By connecting Salesforce Data Cloud and Agentforce to your Sales Cloud, we unify customer signals from marketing, CRM, and web activity to fuel real-time scoring, automated next steps, and intelligent sales outreach.

WORKS WITH

Sales Cloud

FEATURES

Data Cloud + Agentforce

USE CASE

Score and prioritize leads based on live engagement

Trigger smart actions like "call now" or "send quote"

Detect stalled deals and prompt follow-up

WHAT'S INCLUDED?

Your quick path from Data to Action.

6-8 weeks | From €17,500*

*Includes setup of Data Cloud and Agentforce, connection of 2–3 data sources, and activation of up to 2 use cases on one digital channel.

*Final pricing will be confirmed during the kickoff phase based on scope and system complexity.

*This offering is time-limited and may be modified or discontinued at any time.

Real-world sales use cases & tangible results

Powered by **Salesforce Data Cloud & Agentforce**

Prioritize leads with real-time engagement data

Use Data Cloud to score leads based on live interactions (email, website, ads).

GAIN

- Up to **35%** increase in lead-to-opportunity conversion
- Reduced time spent on cold leads

Trigger next-best sales actions automatically

Auto-trigger Agentforce to send quotes, reminders, or prompt sales calls.

GAIN

- Shorter sales cycle by **15–25%**
- Higher engagement with automated follow-up

Detect stalled deals and prompt reactivation

Identify opportunities with no recent activity and trigger Agentforce suggestions.

GAIN

- Reactivate up to **20%** of stalled pipeline
- Improve rep efficiency with smart nudges

Enrich rep interactions with real-time profiles

Give sellers a full, real-time view of each lead (intent, stage, history).

GAIN

- More relevant conversations
- Up to **40% increase** in meeting conversion

With Data Cloud and Agentforce, Sales Cloud becomes a smart engine for prioritization, automation, and pipeline acceleration.

WHAT'S INCLUDED?

Your quick path from Data to Action.

6-8 weeks | From €17,500*

*Includes setup of Data Cloud and Agentforce, connection of 2–3 data sources, and activation of up to 2 use cases on one digital channel.

*Final pricing will be confirmed during the kickoff phase based on scope and system complexity.

*This offering is time-limited and may be modified or discontinued at any time.

From setup to go-live in just weeks

- Connect 2–3 data sources (CRM, web, service logs)
- Set up identity resolution & unified profiles
- Create real-time segments (e.g. churn risk, VIPs)
- Activate use case (e.g. case creation or routing)

- Configure AI Agent with defined topic
- Connect it to Data Cloud segments
- Trigger actions (e.g. auto-reply, case creation)
- Deploy under digital channel (e.g. chat, WhatsApp, etc.)

Start with what creates impact. **We will be by your side from day one.**
